Notes: 1) Joyce Dobbins has Nursery each week for Sunday School

2) If you are unable to keep the nursery on your scheduled date, please swap with someone and also let me know, so there will be no confusion due to lack of communication. My phone number is 706/217-7828. Thank you for your willingness to help in the nursery.

3) If you are a choir member, do not go to choir when you work the nursery. It is unfair to ask the Sunday School workers to stay until after choir almost weekly.

4) Be sure parents have put their child's name on bags, sippy cups, etc.
